Company Values

- We always act with integrity in all relationships with people and with institutions.
- We only do our best work for our customers, acting always in their best interests.
- We recognise we cannot do our best work unless we behave as a team, each person's performance being interdependent on the performance of others.
- We pay attention to detail. We go the extra mile. We are helpful to others, purposeful in what we do, and always complete our tasks in full and on time.
- We always honour our commitments both to our fellow staff members and to our customers.
- We work in a systemised environment, always using proven methodology and we never cut corners.
- We keep the overall profitability and financial stability of the business in the forefront of our minds.
- We promote and reward loyalty, honesty & obedience within our workplace.
- We help our community.

Company Mission

- To provide total solutions to meet our customers building envelope requirements
- To deliver quality on time every time
- To stand by our word with integrity

Company Vision

- Our customers must regard us as being passionate about providing the most sustainable, innovative and dependable exterior architectural solutions in our nation.

Our Specifiers

Louvreclad work along side leading architects and designers to deliver your vision from initial concept through to completion.
