Colours and Finishes

Add a touch of colour to your louvres and screens, shine light or create a standout feature through Louvreclad's range of powder coated, anodised and sheet metal finishes. To find more information on these finishes, please contact the companies listed below.

Powder Coating

Louvreclad is an Accredited Applicator for both [Interpon](#) and [Dulux](#).

We utilise a wide range of powder coatings to achieve the highest grade of finishing. [Interpon](#) and [Dulux](#) are Louvreclad's trusted suppliers for powder coating, and a decorative timber-grain look can also be achieved from either [Decowood](#) or [Knotwood](#).

Pre-Painted Steel

We offer access to a wide range of pre-painted steel options from [BlueScope COLORBOND® Steel](#) and [UniCote®](#)'s extensive range.

Anodised Finish

A wide range of anodised colours are available to suit any application or desired look, from [Australian Aluminium Finishing](#).

See the table below for a list of available finishes for each of our products.
