

Barossa Series[®] Aluminium RHS

SCREENS

Louvreclad's Barossa Series[®] is a striking contemporary alternative to traditional timber battens. Barossa's superior durability also ensures a high quality solution for privacy & sun screening applications. Ideal for building refurbishments.

Distinctive Features:

- Extruded aluminium finish
- Wide range of powdercoated & anodised colour choices available
- Battens can be set any pitch as determined by level of screening required
- Designed to withstand a variety of weather conditions
- Contemporary looks that offer privacy and superior sun shading performance

Attention to Detail:

- Available in a wide range of batten sizes
- Designed to compliment the Scarborough Series[®], Caprice Series[®] and Sheraton Series[®]
- Designed, engineered and certified for incidental live load.

INTEGRATES SEAMLESSLY INTO THE FACADE

 **LOUVRECLAD[®]**

Thinking outside for inside performance
