

Health and Safety Policy Statement

Louvreclad Pty Ltd design, manufacture, supply and install exterior façade products, including louvres and screens constructed primarily of aluminium and steel.

Louvreclad is committed to protection of employees and others at our various workplaces from work-related injury and ill health, and to improving its OHS performance. In order to facilitate this commitment, the organisation has established an integrated management system (IMS) incorporating the requirements of AS/NZS 4801:2001.

The overall objectives of this policy and the IMS include the following:

- 🏠 Providing a safe and healthy environment for all employees, contractors and visitors, in all Louvreclad workplaces
- 🏠 Complying with all relevant OHS legislation and other requirements placed upon Louvreclad by other stakeholders or itself;
- 🏠 Continually improving Louvreclad's OHS performance, toward an aim of zero harm.

Louvreclad sets measurable objectives for the achievement of the above via its Strategies and Objectives Register. Objectives are set and reviewed for achievement at IMS management reviews.

Through application of this policy and the IMS, our organization will manage its work activities in order to eliminate work-related injury and ill health, and will deliver continuous improvement of the system and improved OHS performance.

This policy is communicated to all workers through inductions, training and ongoing example in the workplace, and is reviewed regularly via IMS management review and more often as required.
